### VENUE

📍 **Loews Kansas City Hotel,**  
1515 Wyandotte St, Kansas City, MO 64108

## FRIDAY, SEPTEMBER 20

### SESSION 1

(1:30 - 2:20 PM)

**Presentation:** Migraine Headache or Cervicogenic Headache. Diagnosis and Current Treatment Strategies (10 min)

**Presenter:** Steve Kosa, MD

---

**Panel Discussion:** Expert Consensus on newer medications and how to incorporate into practice. (20 min)

**Moderator:** Steve Kosa, MD

**Panelists:** Rawan Albadareen, MD, Deetra Ford, MD,  
John-Paul Pozek, MD

---

**Panel Discussion:** Ketamine Infusion for Neuropathic Pain: Insurance and Clinical Applications Challenges (20 min)

**Moderator:** Twinkal Dalal, MD

**Panelists:** Mayank Gupta, MD, John-Paul Pozek, MD

### SESSION 2

(2:20 - 3:10 PM)

**Presentation:** Interventions for Cervicogenic Headaches (10 min)

**Presenter:** Miles Day, MD

---

**Panel Discussion:** Interventions for Cervicogenic Headaches (20 min)

**Moderator:** Miles Day, MD

**Panelists:** Timothy Sowder, MD, Daniel Kloster, MD, Jeff Foster, MD

---

**Panel Discussion:** Maintaining social media reputation. Is it the new norm of physician job profiles and strategies? (20 min)

**Moderator:** Kasra Amirdelfan, MD

**Panelists:** Amol Soin, MD, Usman Latif, MD, Mahoua Ray, MD

**3:10-3:40:** Coffee Break

## SESSION 3 (3:40-4:20 PM)

**Panel Discussion:** AI and Pain Medicine How to Shape the Future (20 min)

**Moderator:** Usman Latif, MD

**Panelists:** Timothy Sowder, MD, Daniel Kloster, MD

---

**Panel Discussion:** Chronic Pain & opioid addiction awareness. Is the pendulum on another way role the Societies and Legislator can play

**Moderator:** Mahoua Ray, MD

**Panelists:** Amol Soin, MD, Roopa Sethi, MD, Miles Day, MD, Ted Braun, MD, Michael Tollette, MD

## SESSION 4 (4:20-5:10 PM)

**Presentation:** Peripheral Nerve Stimulation. Mechanism of Action and Pearls to Improve Outcome (10 min)

**Presenter:** Konstanin Slavin, MD

---

**Panel Discussion:** Potential targets, Documentation and Insurance Authorization (20 min)

**Moderator:** Konstanin Slavin, MD

**Panelists:** Timothy Sowder, MD, Patrick Harper, MD, Jeff Foster, MD

---

**Panel Discussion:** Insurance Denials, Appeals, and Non-coverage Disputes: what can provide to help patients (20 min)

**Moderator:** Daniel Kloster, MD

**Panelists:** Mayank Gupta, MD, Jeff Foster, MD, Kasra Amirdelfan, MD

---

**5:10-6:30 PM:** Welcome Reception in Mermaid Room

*Sponsored by Silver Sponsor Medtronic*

*No CME Credit Hours are Available for this Session.*

**7:00-10:00 PM:** Faculty Dinner (*Invitation Only*)

*Sponsored by Gold Sponsor Saluda*

*No CME Credit Hours are Available for this Session.*

**7:15-7:45 AM:** Breakfast Symposium in Northland Room

*Sponsored by Spinal Simplicity*

*No CME Credit Hours are Available for this Session.*

**7:45-8:00 AM:** PainMedPA Presentation in Northland Room

*No CME Credit Hours are Available for this Session.*

# SATURDAY, SEPTEMBER 21

## SESSION 5

(8:00-8:50 AM)

**Presentation:** Intrathecal Pump: Trial, Initial dosing and documentation (10 min)

**Presenter:** Hemant Kalia, MD

.....  
**Panel Discussion:** Intrathecal Pump for Chronic Pain. When to offer an implementation plan and surgical technique to minimize complications. (20 min)

**Moderator:** Dawood Sayed, MD

**Panelists:** Daniel Kloster, MD, Miles Day, MD, Rany T. Abdallah, MD, Wes Whitten, MD

.....  
**Panel Discussion:** Review of evidence on Regenerative Medicine for Chronic pain. Indication and Cell types (20 min)

**Moderator:** Dan Kloster, MD

**Panelists:** Rakhi Dayal, MD, Patrick Harper, MD, Andrew Sack, MD, Alaa Abd-Elsayed, MD

## SESSION 6

(8:50-9:40 AM)

**Presentation:** The Cannabis Conundrum: Surprise Insight. Unlocking the potential, Addressing the Pitfalls. (10 min)

**Presenter:** Roopa Sethi, MD

.....  
**Panel Discussion:** Controlled Substances, Telemedicine and DEA 2024. Navigating the regulatory guidelines and Best Practices.

**Moderator:** Roopa Sethi, MD

**Panelists:** Mahoua Ray, MD, Wes Whitten, MD

.....  
**Panel Discussion:** Practice Challenges for Patients with Co-occurring Pain/opioid use disorder (20 min)

**Moderator:** Roopa Sethi, MD

**Panelists:** Rakhi Dayal, MD, Mahoua Ray, MD, Miles Day, MD, Amol Soin, MD

.....  
**Presentation:** Injectables for Opioid Addiction (10 mins)

**Presenter:** Roopa Sethi, MD

.....  
**9:40-10:10 AM:** Coffee Break

## SESSION 7 (10:10-11:20 AM)

**Presentation:** Neuromodulation: Multiple Waveforms. Appropriate patient and waveform selection. Mechanism of Action.

**Presenter:** Robert Levy, MD (10 min)

---

**Panel Discussion:** Neuromodulation: Chargeable vs Rechargeable Battery. Pros and Cons. Does it improve outcomes? (15 min)

**Moderator:** Kasra Amirdelfan, MD

**Panelists:** Saad Syed, MD, Alexander Bailey, MD, Rany T. Abdallah

---

**Panel Discussion:** Future of Neuromodulation: Closed Loop Stimulation: Is it a game changer? What have we learned so far. (15 min)

**Moderator:** Leonardo Kapural, MD

**Panelists:** Alaa Abd-Elsayed, MD, Ted Braun, MD, Hemant Kalia, MD

---

**Panel Discussion:** Neuromodulation: For Intractable Back Pain with Virgin Back: Neurosurgeons Perspective. (15 min)

**Moderator:** Konstantin Slavin, MD

**Panelists:** Alexander Bailey, MD, Gupreet Grandhoke, MD, Sam TAYLOR, MD, Adam Grooms, MD

---

**Panel Discussion:** Neuromodulation: Diabetic Neuropathy. Does Wave form matter? Review of current literature. (15 min)

**Moderator:** Rany T. Abdallah, MD

**Panelists:** Amol Soin, MD, Leonardo Kapural, MD, Rakhi Dayal, MD

---

## SESSION 8 (11:20-12:30 PM)

**Presentation:** Lumbar Spinal Stenosis: Radiological vs Clinical Diagnosis. Setting the Patient's Expectations for Surgery (10 min)

**Presenter:** Konstantin Slavin, MD

---

**Panel Discussion:** Inter Spinous Spacers versus Open Decompression: Review of current literature. Pros and Cons. (20 min)

**Moderator:** Konstantin Slavin, MD

**Panelists:** Sam TAYLOR, MD, Alexander Bailey, MD, Daniel Kloster, MD, Adam Grooms, MD

---

**Panel Discussion:** Mentorship in pain medicine (20 min)

**Moderator:** Michael Schatman, PhD

**Panelists:** Allison Bell, MD, Patrick Harper, MD, Andrew Sack, MD

---

**12:30-1:30 PM:** Lunch Symposium in Northland Room

*Sponsored by Gold Sponsor SPR*

*No CME Credit Hours are Available for this Session.*

## SESSION 9

(1:30-2:20 PM)

**Presentation:** Low Back Pain: Multifidus Muscle Stimulation. Current concepts and review of evidence (10 min)

**Presenter:** Leonardo Kapural, MD

---

**Panel Discussion:** Indication, Patient Expectation and Outcome (20 min)

**Panelists:** Miles Day, MD, Kasra Amirdelfan, MD, Alexander Bailey, MD, Vinny Francio, MD

---

**Panel Discussion:** Young Physicians Panel: Strategy to improve patient experience satisfaction: Learning Art of Medicine (20 min)

**Moderator:** Ted Braun, MD

**Panelists:** Allison Bell, MD, Mandira Rajkarnikar, MD, Vinny Francio, MD  
Danny Neuman, MD

## SESSION 10

(2:20-3:10 PM)

**Presentation:** Sacroiliac Joint Dysfunction. When to consider SI Joint Fusion. Mechanism of Action and Evidence. Update on insurance coverage policy (10 min)

**Presenter:** Dawood Sayed, MD

---

**Panel Discussion:** Different Approaches: Posterior, Lateral, Oblique, and personal experiences (20 min)

**Moderator:** Dawood Sayed, MD

**Panelists:** Patrick Harper, MD, Christopher Lam, MD, Andrew Sack, MD, Rany T. Abdallah, MD

---

**Panel Discussion:** New contract negotiations with insurance opportunities and pitfalls(20 min)

**Moderator:** Amol Soin, MD

**Panelists:** Jared Scott, MD, Rodney Jones, MD, Wes Whitten, MD

---

3:10-3:40 PM: Coffee Break

## SESSION 11

(3:40-4:25 PM)

**Presentation:** Neuromodulation for Chronic Pelvic Pain: Diagnosis, Coverage Policy and Documentation. (10 min)

**Presenter:** Rany T. Abdallah, MD

---

**Panel Discussion:** Dorsal Column versus Dorsal Root Ganglion Stimulation.  
Personal experiences and best practices

**Moderator:** Rany T. Abdallah, MD

**Panelists:** Rakhi Dayal, MD, Christopher Lam, MD, Alaa Abd-Elsayed, MD

---

**Panel Discussion:** Pain Management and Opioids Balancing Risk Benefits  
and Patient Satisfaction from AA and NP point of view

**Moderator:** Zohra Hussaini, NP

**Panelists:** Morteza Rabii, NP, Jason Orello, APRN

---

**Panel Discussion:** Recent advances in interventions for shoulder pain

**Moderator:** Rakhi Dayal, MD

**Panelists:** Allison Bell, MD, Wes Whitten, MD, Jared Scott, MD,  
Timothy Sowder, MD

## **SESSION 12**

**(4:25 - 5:30 PM)**

**Presentation:** Failed Back Surgery Syndrome Spinal Cord Stimulator has lost  
its efficacy over time. Next steps in Pain Management (10 min)

**Presenter:** Leonard Kapural, MD

---

**Panel Discussion:** Failed Back Surgery Syndrome Spinal Cord Stimulator  
has lost his efficacy over the time. Next steps in Pain Management

**Moderator:** Leonard Kapural, MD

**Panelists:** Hemant Kalia, MD, Miles Day, MD, Rany T. Abdallah, MD

---

**Presentation:** Axial Spine Pain: Vertebrogenic, Discogenic and Post Spine  
Pain. Making the right diagnosis and role of Basivertebral nerve Ablation.  
Current Multidisciplinary Consensus(10 min)

**Presenter:** Alaa Abd-Elsayed, MD

---

**Presentation:** Opioid dependence vs Opioid use disorder. Conceptual Analysis  
and Treatment Plan (10 min)

**Presenter:** Roopa Sethi, MD

---

**Panel Discussion:** Radiofrequency Ablation for Cervicogenic Headache  
Individual Experiences on Temperature Setting Duration and Pro-preferences  
(20 min)

**Moderator:** Alaa Abd-Elsayed, MD

**Panelists:** Ted Braun, MD, Twinkal Dala, MD, Saad Syed, MD,  
Danny Neuman, MD

---

**5:30 - 6:30 PM:** Closing Reception in Northland Room

KANSAS SOCIETY OF  
INTERVENTIONAL PAIN PHYSICIANS  
THE VOICE OF INTERVENTIONAL PAIN MANAGEMENT

# PARTNERS

## Gold Sponsors

## Silver Sponsor

## Bronze Sponsor

Advancing science for life™

## Exhibitors

4TH KSIPP ANNUAL CONFERENCE 2024

# COMPANIES

## ABBOTT

Abbott is a global healthcare leader that helps people live more fully at all stages of life. We create breakthrough products - in diagnostics, medical devices, nutrition and branded generic pharmaceuticals - that help you, your family, and your community lead healthier lives, full of unlimited possibilities.

## ABBVIE

AbbVie's mission is to discover and deliver innovative medicines and solutions that address complex health issues and enhance people's lives.

## AIS HEALTHCARE

As the largest and leading TDD provider, AIS Healthcare is focused on raising the bar for quality, putting patient safety and well-being first. From the unparalleled sterility standards in our compounding pharmacies to our skilled nursing, pharmacy and financial services teams, we strive to enhance the care experience for everyone.

## AVERITAS PHARMA

At Averitas Pharma, Inc., we strive to enable people with pain to live and feel more like themselves. We are currently helping patients by offering the only FDA approved, non-opioid, topical system for the treatment of neuropathic pain associated with postherpetic neuralgia and diabetic peripheral neuropathy of the feet.

## ASPEN

As a leader in the design, development and marketing of orthotics, Aspen's core philosophy is to innovate and advance clinically-based solutions focused on serving the needs of healthcare professionals and enhancing patients' lives.

KANSAS SOCIETY OF  
INTERVENTIONAL PAIN PHYSICIANS  
THE VOICE OF INTERVENTIONAL PAIN MANAGEMENT

## BOSTON SCIENTIFIC

Boston Scientific is a global leader in meaningful, industry-leading solutions for chronic pain and neurological diseases. We provide a comprehensive portfolio of Interventional Pain Therapies which include WaveWriter Alpha™ Spinal Cord Stimulator Systems, The Intracept Procedure for treatment of vertebrogenic pain, The Vertiflex™ Indirect Decompression Procedure for the treatment of LSS, and RF Ablation Therapy

## INFORMED

inFormed Consent has developed a platform to provide patients with a procedure specific digital video consent. Patients are presented with all of the information required in a consent discussion on a tablet or mobile phone where the front facing camera records the patient creating a digital document that the patient was fully consented.

## MEDTRONIC

Bold thinking. Bolder actions. We are Medtronic. We lead global healthcare technology and boldly attack the most challenging health problems facing humanity by searching out and finding solutions. Our Mission — to alleviate pain, restore health, and extend life — unites a global team of 90,000+ passionate people. Powered by our diverse knowledge, insatiable curiosity, and desire to help all those who need it, we deliver innovative technologies that transform the lives of two people every second, every hour, every day. Expect more from us as we empower insight-driven care, experiences that put people first, and better outcomes for our world. In everything we do, we are engineering the extraordinary.

## NALU

Nalu Medical, Inc. offers innovative solutions for chronic neuropathic pain. The Nalu Neurostimulation System includes a micro-IPG and wearable Therapy Disc, FDA-cleared for spinal cord and peripheral nerve stimulation. This award-winning system is engineered to address unmet pain treatment needs, it provides a unique value proposition for patients and physicians.

## NEVRO

Nevro is a global medical device company focused on delivering life-changing solutions to treat chronic back & leg, painful diabetic neuropathy, and sacroiliac (SI) joint pain. It has innovated Spinal Cord Stimulation (SCS) with its proprietary 10 kHz Therapy™. Nevro provides the most comprehensive SCS and SI joint portfolios.

## PENTEC HEALTH

Pentec Health is committed to solving and simplifying care challenges for patients across the nation & is a trusted partner for providers. Our clinicians manage the complex therapy needs of chronic kidney disease, end stage renal disease, intrathecal pain management and spasticity, metastatic cancer as well as rare metabolic disorders requiring medical nutrition products.

## PROTEGA PHARMA

Protega Pharmaceuticals is an innovative specialty pharmaceutical company focused on responsible pain management. We have focused our efforts on the development of novel abuse-deterrent products. Our vision is to become a valuable partner with medical practitioners by providing innovative therapies that exemplifies our commitment to patient health and safety.

## PAINMEDPA

PainMedPA specializes in prior authorizations, billing, chart reviews, and coding audits for pain management practices. Combining AI-driven technology with expert talent, our approach—based on clinical guidelines for all payers and procedures across 50 states—achieves a 95% success rate, streamlining admin tasks so practices can focus on patient care.

## SALUDA

Saluda is transforming patients' lives with disruptive neural sensing technologies to revolutionize the field of neuromodulation. The Evoke® System, has 10+ years of advanced research, development, & clinical experience, it is the only SmartSCS™ to directly measure the spinal cord's physiologic response to stimulation using ECAPs to pioneer smart neuromodulation therapy.

## SPR

The SPRINT® PNS System, by SPR® Therapeutics, marks an innovative shift in the treatment of pain. Our breakthrough, 60-day treatment is a First-Line™ PNS option uniquely designed to recondition the central nervous system to provide significant and sustained relief from chronic pain — without a permanent implant, nerve damage or the risk of addiction.

## STRYKER

Pain is unrelenting. But so are we. Together with our customers, we deliver clinically differentiated interventional solutions that help relieve pain and improve quality of life.

## STRATUS MEDICAL

Stratus Medical is a medical device company focused on reducing pain and suffering and improving the quality of life for chronic pain patients through innovation. Our leading technology, the Nimbus Multitined Expandable Electrode was invented by a pain medicine physician who wanted a large volume radiofrequency lesion to reduce the anatomical uncertainty when treating targeted nerves with the goal to provide predictable and sustained pain relief.

## SPINAL SIMPLICITY

Spinal Simplicity is a healthcare technology company dedicated to creating simple, innovative procedure solutions for our physician partners to help improve their patient's pain and quality of life. Our flagship technologies include Minuteman, Liberty-SI, Hero-SI and Patriot-SI. With over 150 patents granted globally, Spinal Simplicity remains committed to future innovation.

## SURGENTEC

SurGenTec® is a medical device company revolutionizing orthopedic and spinal surgery technologies. Our engineers are dedicated to creating intuitive solutions that improve the quality of life for patients. By collaborating with experienced surgeons, leading experts, and global distributors we relentlessly improve the performance of our products.

## MAINSTAY MEDICAL

Mainstay Medical is a medical device company offering a new therapeutic solution for adults suffering from mechanical chronic low back pain (CLBP). ReActiv8 Restorative Neurostimulation is a rehabilitative therapy designed to address impaired neuromuscular control and degeneration of the multifidus muscle linked to mechanical CLBP.

## TERSERA

TerSera Therapeutics is a specialty pharmaceutical company headquartered in suburban Chicago with a focus in acute care, oncology, and non-opioid pain management. Our mission is to develop and market products which truly make a difference for patients. Our focus is to bring intelligent solutions to our customers that go beyond the therapy itself in order to provide improved patient outcomes.

## VERTOS

Vertos Medical is an interventional pain company committed to developing innovative, minimally invasive treatments for lumbar spinal stenosis (LSS). Its proprietary technology, is an image-guided outpatient procedure that removes a major root cause of LSS through an incision smaller than the size of baby aspirin and requires no implants, no general anesthesia, and no stitches.

## VERTEX

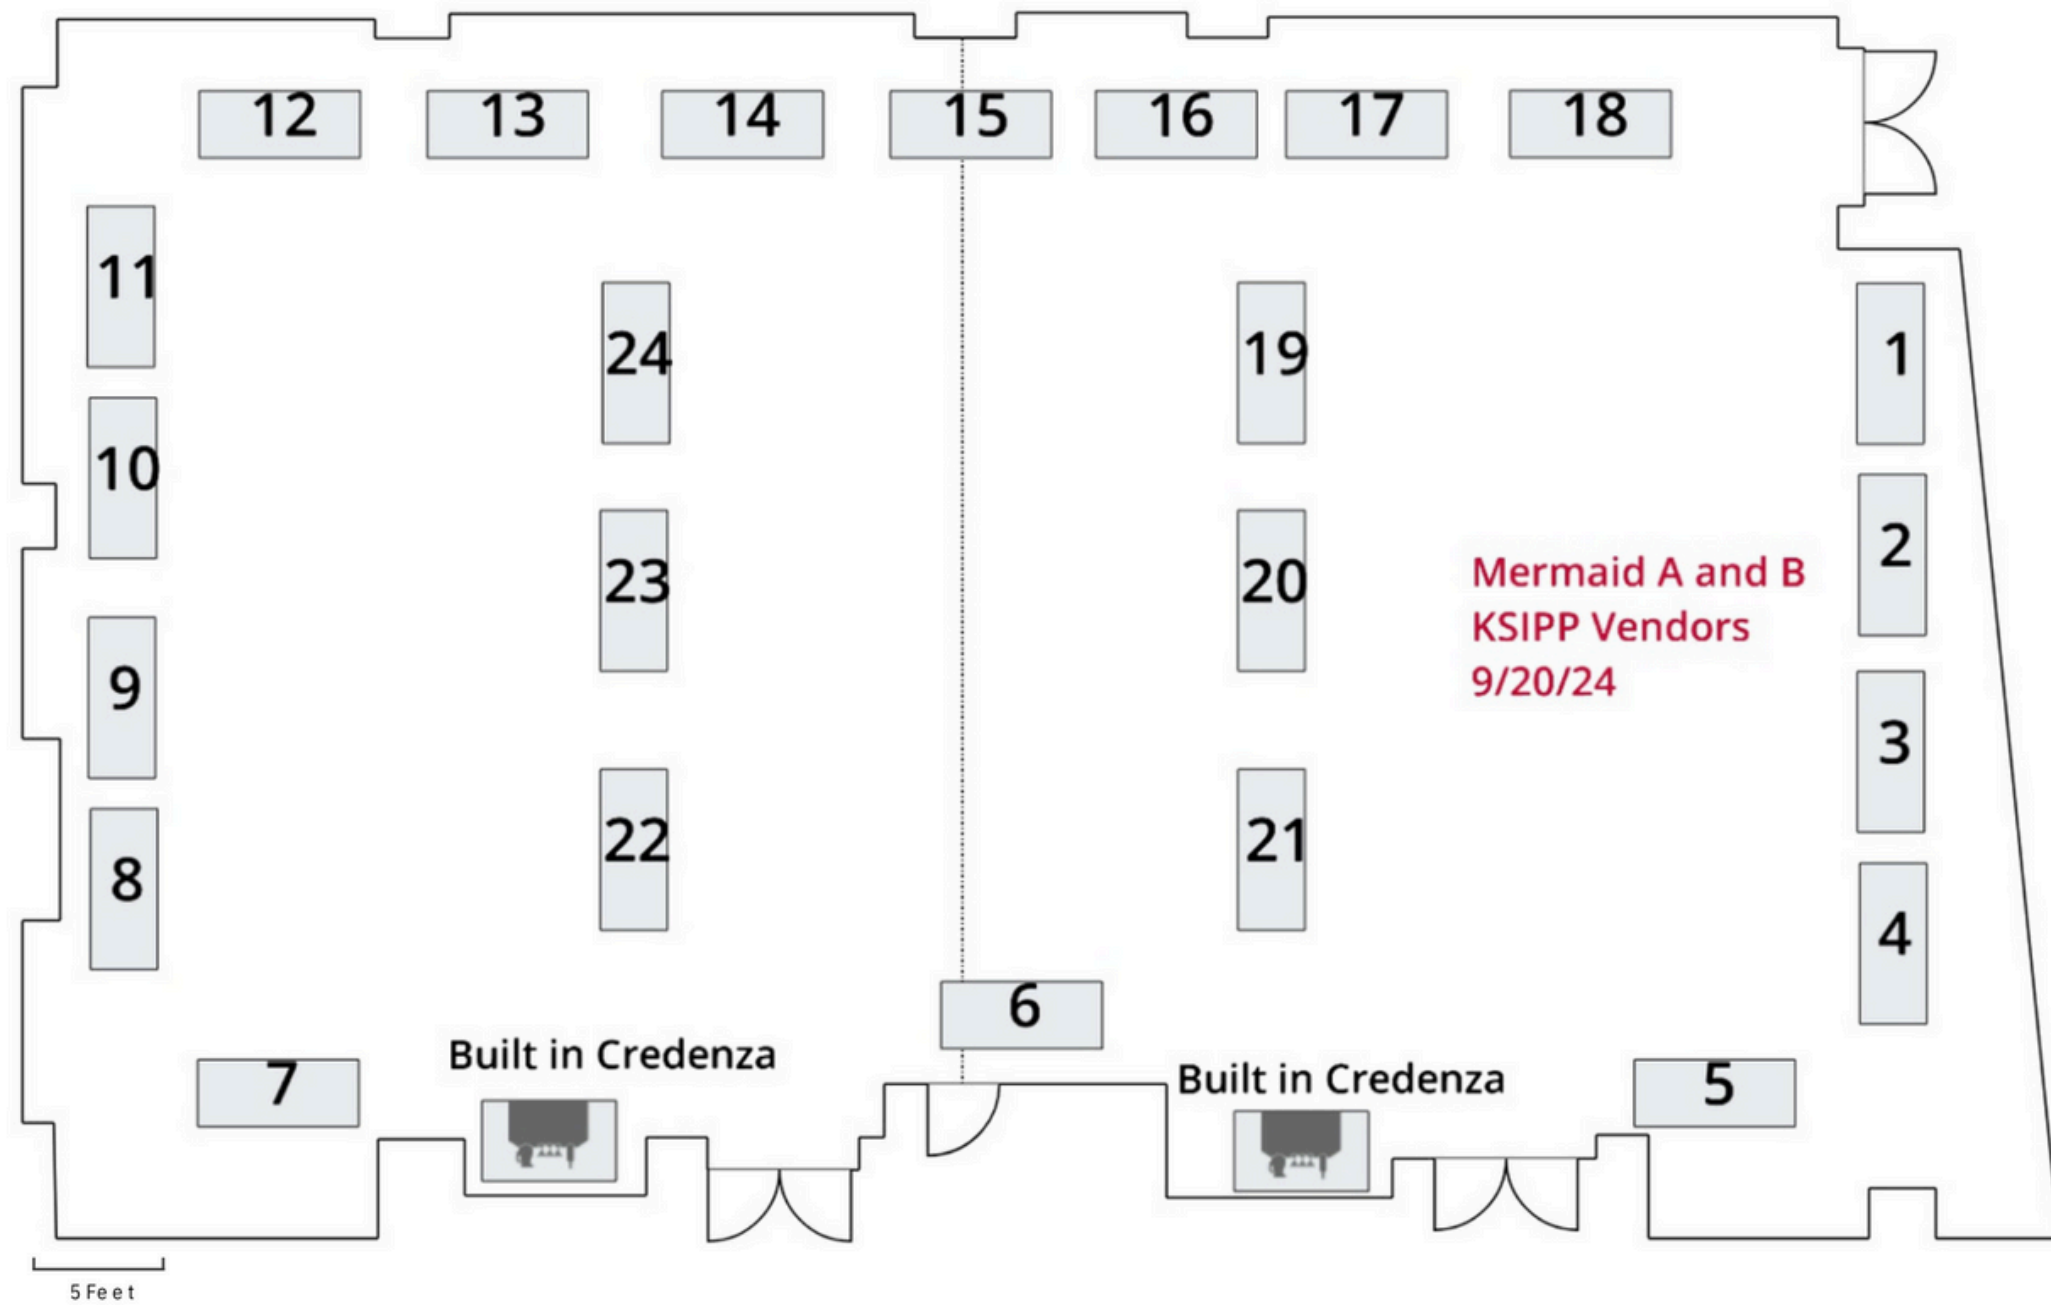

We are Vertex! We strike at the core of serious diseases to change people's lives. Bringing together the brightest minds, investing in science and taking smart risks, we go all in. For the lives we have changed and for those who are still waiting, we will never stop fighting until we discover cures. We have research and development sites and commercial offices around the world, all dedicated to bringing the next transformative treatments to people with serious diseases. Our headquarters are in Boston and London.
